Real Return Fund, a Sub Fund of CG Portfolio Fund ICAV

GBP Class H Shares ISIN: IE00BLCGR562

The Management company of the Fund is **Bridge Fund Management Limited**

Objectives and Investment Policy

The investment objective is to achieve long term capital appreciation and income growth by investing mainly in international government and corporate Index Linked Bonds. The Fund is actively managed and is not actively managed in reference to a benchmark.

The asset allocation is expected to be 98% in index linked government bonds with 2% cash. In the future the Investment Manager may invest in long dated conventional bonds. The Investment Manager will be investing in the Index Linked Bond content into mainly Swedish, European, Japanese, USA and Canadian domestic government agency bonds.

These domestic government and government agency bonds will be traded principally in London but may also be traded in their domestic markets. The Fund may in future invest in other domestic government and government agency bonds; in any event they will be mainly OECD government bonds. Each will be listed in their local jurisdiction.

The Investment Manager will limit the use of derivative

instruments to convertible bonds and warrants.

The Fund may not be suitable for any investor who requires their money within three years.

The minimum investment in the Fund is £100,000.

A dividend will be paid annually if there is income in the Fund.

Shareholders of the Fund may request that Shares in the Fund be redeemed on any Dealing Day by sending a written redemption request to be received by the Administrator on behalf of the Fund by 2pm on the Business Day prior to the Dealing Day on which the redemption is to take place, failing which the company may hold over redemption requests until the following Dealing Day and Shares in the Fund will be redeemed at the relevant Net Asset Value per Share.

More information on dealing may be obtained by calling the Fund administrator, Northern Trust on 00353 1 434 5098.
